Check-writing - Money Market

Check-writing privilege

By electing the check-writing privilege and signing the signature card, I acknowledge that I am subject to the rules and regulations of Mellon Trust of New England, N.A. (“the Bank”) as they currently exist and as they may be amended from time to time. I designate the Bank as my representative to present checks drawn on my fund account to the fund or its agent and deposit the proceeds in this checking account.

I understand that the shares for which share certificates have been issued or requested cannot be redeemed in this manner.

If the account is registered in joint tenancy, all persons must sign this card, and each person guarantees the genuineness of all other parties’ signatures. I understand that if only one person signs a check, all other tenants have authorized that signature.

Minimum and maximum

I understand that checks may not be in amounts less than \$250 and that the fund reserves the right to change these limits at its sole discretion. I agree that neither the fund nor its agent is responsible for any loss, expense or cost arising from these redemptions. Also, if I have recently made additional investments, I understand that redemption proceeds will not be available until the check used to purchase the investment (including a certified or cashier’s check) has been cleared by the bank on which it is drawn, which could take up to 15 days or more.

Check-writing Signature Card

(Available on certain share classes only)
